INTERACTIVE SESSION WITH THE PARENTS OF CLASS X

Dear Parents,

1. As your ward is presently in Class X, an important academic milestone lies ahead in the form of the Board Examination, followed by a crucial transition to Class XI. At this juncture, the school considers it essential to work in close coordination with parents to ensure the holistic academic and career preparedness of our cadets.
2. In this regard, the school proposes to interact with the parents of Class X cadets to apprise them of:
 - 2.1 The school's academic strategy for effective Board Examination preparation, including revision plans, periodic assessments, doubt-clearing sessions and individual academic monitoring.
 - 2.2 The roadmap for Class XI, with special emphasis on subject selection, academic expectations and discipline required at the senior secondary level.
 - 2.3 The school's structured strategy for NDA coaching, which will continue as an integral part of training in Class XI. This will include:
 - 2.3.1 Integrated coaching for NDA written examination alongside regular academics
 - 2.3.2 Focused preparation for SSB, including personality development, communication skills, leadership traits and physical fitness
 - 2.3.3 Regular assessments and mentoring to identify and nurture potential NDA aspirants
3. The objective of this interaction is to clarify doubts, align expectations and ensure that parents are well informed about the school's long-term vision for their wards, particularly with respect to the National Defence Academy and other career avenues in the Armed Forces.
4. Interaction with parents is scheduled to be held on 15 Feb 2026 at 1100 hrs in the School Auditorium. Parents are requested to make it convenient to participate actively, as your support and cooperation play a vital role in the success of our cadets.
5. We look forward to your continued trust and partnership in shaping the future of your ward.
